## Lakewood Civic Association

We believe Lakewood is *the best place to live in Baytown*. Lakewood is a historic neighborhood of approximately 900 homes. Protecting our neighborhood's character and quality of life is a charge and challenge of the Lakewood Civic Association (LCA). A strong neighborhood is made possible in a great part by a strong neighborhood association.

When people search for a special place to live and raise their families, it is about more than the single-family house they find; it is about what makes a community unique. We offer that in Lakewood — a truly unique and diverse community located on Burnet Bay, with convenience to key amenities, a private boat ramp and a private community pool. Much of that legacy is due to the LCA. To be successful we need your support as there is strength in numbers.

**Please join today**  
**Membership is only \$30/year**

Board Ballot and Membership form included in this newsletter – Please join and vote. **First 50 people who join will get a \$5 gift certificate courtesy of El Toro!**

## How the Civic Association Benefits Lakewood

The LCA is always looking for ways to maintain Lakewood as a great place to live. Over the last year the LCA has:

Continued to recognize outstanding residents who make Lakewood a better place to live with our **Good Neighbor Award**.

Held a 3<sup>rd</sup> **Holiday Parade** while collecting food donations for the Hearts and Hands of Baytown food pantry.

Sponsored two **Community Garage Sales** each year.

Met with the City and ExxonMobil to advocate ways to **slow down traffic** through the neighborhood.

Organized **"Stop the Bleed"** educational training for Lakewood residents.

Repaired fence at the **Boat Ramp**.

Represented Lakewood in **Carbon Capture** discussion with *Climate Now* to improve environmental health.

Coordinated with GCCISD to have **Travis Park** open during non-school hours.

Treated LCA members to a **Baytown Little Theater** performance.

Worked with the City to **repair potholes**.

In conjunction with the Galveston Bay Foundation we are **growing oysters** in our bay to help clean the water.

Gave away **trees** to help repopulate those lost from storms.

Continue to work with the City to have a **combination dog park with children's park** build for our area.

Held a **Summer Kick-off Party** at the Lakewood Pool and purchased yard games to be used for multiple events.

Followed up on many **neighborhood concerns**.

Sent **Welcome Letters** with community information to new homeowners in Lakewood.

**Provided funds** to help support:

- ❖ Maintenance of the Lakewood signs and water bills
- ❖ Upkeep of the Boat Launch property
- ❖ The Lakewood Pool
- ❖ National Night Out

## District 3 Update from Councilman Griffith

Greetings Lakewood residents! I pray and hope all is well.

Nature Center – March 22 was an action packed day on the Peninsula! Parks & Rec held the annual *Run for Your Wildlife 1k/5k* run where all proceeds went to help improve wildlife habitats at the Nature Center. At dusk the *Party on the Peninsula* live concert kicked into gear. Currently there's Tike Hikes for kids ages 3-5, held every Friday at 10 am during the Spring and Summer to explore the nature center with a guides covering new science topics and stories every week. The cost is \$3 per child, per class.

Lakewood Dog Park- Due to issues with property ownership at the original site the City is looking at another location. Current funding remains in the city general fund. Future funding is needed for the park to be completed.

Listening Tours- January 14<sup>th</sup> marked the first of my 2-part series of listening at the Baytown Fire Training Facility on Bayway Dr. Issues ranging from park conditions to current economic development, and infrastructure were addressed with the Mayor, City Manager and myself. Another Listening Tour with Police Chief Stringer will be held on July 15<sup>th</sup> at 6:30 pm in the same location to address any concerns on various public safety issues. Past listening tours have been proven both productive and educational for both attendees, city staff and myself in addressing various issues in our district.

It's an absolute pleasure serving you as your District 3 City Council Member. I look forward to continue serving you all and continue working to keep Lakewood a great community in our city to call home. God bless!

## Reminders

**BRUSH** – The City **will not** pick-up brush that also has mixed household trash or building materials.

## Lakewood Neighborhood Watch

Neighborhood safety is a team effort, but it starts with **you**.  
What can you do to make your neighborhood a safer place?  
Here are some simple tips:

- ★ **Make friends with Neighbors** – you can mutually watch after one another.
- ★ **Keep up your yard** – trimmed foliage offers fewer places to hide and fences can keep out unwanted visitors.
- ★ **Exercise caution when out of town** – have a neighbor keep watch and pick up your mail and newspapers.
- ★ **Close windows and blinds at night** – a big screen TV is less enticing to steal if no one knows it's there.
- ★ **Install a security system** and/or **video doorbell**
- ★ **Report all potential incidents to police** – this includes possible gunshots, fireworks and suspicious people. The police use reports to justify increased patrols.
- ★ **LOCK YOUR VEHICLE DOORS** and **DO NOT** leave **guns** in an unsecured vehicle. Also do not leave anything of value like money (including coins), computers, phone charges, etc. visible. Thieves go for a quick grab & run.

## Loose Dogs in Lakewood

There continues to be way too many loose dogs in our neighborhood.

Please be a good neighbor and don't intentionally let your dog roam the neighborhood. Per City Ordinance Art I, Sec 14-5: "It shall be unlawful for any person to allow or permit an animal owned or possessed by him, other than a cat, to run at large."

Your dog must be confined at all times, even on your property, by a sufficient fence and/or humanely chained with a shelter in such a manner that it cannot leave your property. Failure to properly confine your dog can result in a fine and/or summons to Municipal Court.
